GSA is redacting Contact Information under the provisions of FOIA's sixth statutory exemption (5 U.S.C. 552(b)(6)), which permits an agency to withhold "personnel and medical files and similar files", the disclosure of which "would constitute a clearly unwarranted invasion of personal privacy." We have determined that the privacy interests of individuals representing contractor employees outweigh any public interest in the disclosure of their names and contact information.

In addition, Letters of Supply were not provided for CresCor products from Calico Industries Inc, GSA contract GS-07F-5864R, and Central Products, LLC, GSA contract GS-07F-0080V. Therefore, contract modifications are pending to remove all CresCor products from the respective contracts.

Furthermore, the requested Letter of Supply from SEVA Technical Services, GSA Contract GS-07F-0100W, has been withheld as GSA has determined the letter to be exempt from disclosure due to the fact that it contains confidential commercial or financial information. The source of supply was withheld due to the provisions of the fourth statutory exemption to the FOIA (5 U.S.C. 552 (b)(4)), which permits an agency to withhold documents that contain commercial or financial information obtained from a person, that are privileged or confidential. GSA may withhold commercial or financial records if release of the information would involve a substantial risk of competitive injury to a business that directly or indirectly furnished information to GSA. We have determined that the information we are withholding under this exemption meets this test. Based on the above information, this constitutes a partial denial of your request. You have the right to appeal the partial denial of records under FOIA. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration
Freedom of Information Act Requester Service Center
1800 F St. NW, Room 7308
Washington, DC 20405
E-FOIA: GSA.FOIA@GSA.GOV

Your appeal must be in writing and should contain a brief statement of the reasons why you believe GSA should have the requested information. Enclose a copy of your original request and a copy of this letter. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

These documents are being furnished to you electronically. This completes our action on this request. Should you have any questions concerning this matter, please feel free to contact Ms. Shaloy Castle-Higgins at (817) 850-8450 or by email at shaloy.castle@gsa.gov.

Sincerely,

Travis S. Lewis
